My Side of the Conversation

DON'T GET LOST IN THE CROWD

To make the most from your SMRCOC Chamber membership, take the time to let Member Services Manager, Bill Rike, be aware of any new brand, or product changes; as well as service or customer service innovations. We are always looking for ways to highlight your business through our "Member to Member" benefit page on our website.

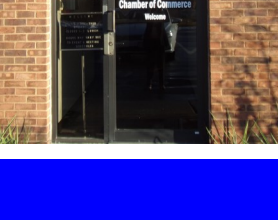

As a member in good standing you are always entitled to our current member list at no charge.

Casual conversation with Julia could result in a new approach for you to reintroduce your business into the market place, or to offer advice from fellow members who had refreshed their brand successfully.

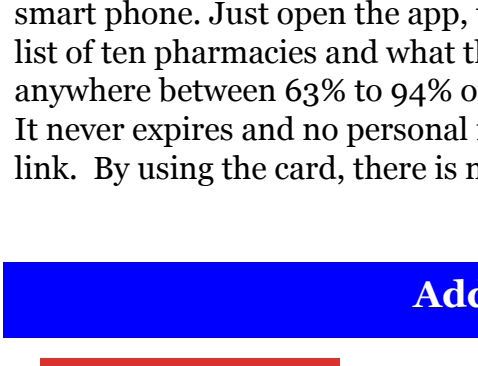

Please call and let us know your news. We want to help, we want you to succeed, and we want to make your membership worthwhile.

Julia Maxton, President

Congratulations to Family's of Addicts, Business of the Year 2018

This month we are continuing our new feature called "WHERE AM I". Each month we will feature a landmark or icon from one of our municipalities. We hope that you will enjoy seeing treasures of art and architecture that exemplify the history of our local area. Please feel free to contact the Chamber Office if you have any suggestions for this feature.

NEW PERSCRIPTION BENEFIT

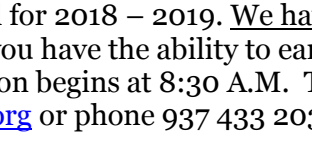

Paying too much for Medications?

Check out the new Chamber Benefit from Appro Rx. This is a great option for those with no insurance, high copay or deductible. In some cases the Appro Rx cost is lower than that through your insurance plan. How does it work? You can go to the website or download an app to your smart phone. Just open the app, type in the medication that you are looking for and you get a list of ten pharmacies and what the retail pricing is. Depending on the medication, you can save anywhere between 63% to 94% off the retail price. There is no charge for the card or to use the app. It never expires and no personal information is required. To check it out click, on the [ApproRx](#) link. By using the card, there is no additional cost, but you can help support the Chamber.
