My Side of the Conversation

June – time to congratulate our graduating Senior Leadership members, our scholarship winner, all of the teachers who have received grants (around \$10,000.00 total), and to thank all of the great members of our South Metro Regional Safety Council.

While we slow down a little for summer, our calendar still highlights some great events for your enjoyment.

This office will be spending the slower summer days adding enhancements to our great new website.

We are recruiting new members for our very successful Safety Council and assisting businesses grow and prosper.

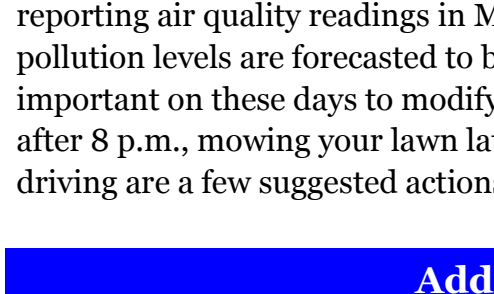

Tables are going fast for the Fall Showcase at Miami Valley Hospital South. If you are interested, don't wait to reserve a spot.

Have a great summer, stop in and see us, and continue to prosper!!!

Julia Maxton, President

Congratulations to Flying Ace Car Wash, Business of the Year 2017

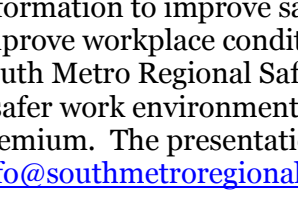

This month we are continuing our new feature called "WHERE AM I". Each month we will feature a landmark or icon from one of our municipalities. We hope that you will enjoy seeing treasures of art and architecture that exemplify the history of our local area. Please feel free to contact the Chamber Office if you have any suggestions for this feature.

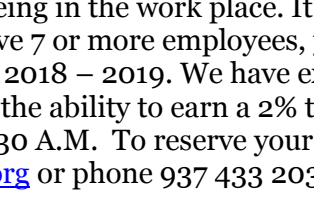

Air Pollution Awareness

The Miami Valley Regional Planning Commission (MVRPC)'s Air Quality Awareness Program encourages residents to take action to reduce air pollution. MVRPC partners with the Regional Air Pollution Control Agency (RAPCA) on air quality issues. RAPCA is responsible for monitoring and reporting air quality readings in Montgomery, Greene, Miami and Clark Counties. On days when air pollution levels are forecasted to be high, an Air Pollution Advisory (APA) is issued. It's especially important on these days to modify your behavior to reduce air pollution. Refueling your vehicle after 8 p.m., moving your lawn later in the evening, and walking or biking for short trips instead of driving are a few suggested actions. Learn more at www.miamivalleyair.org.

Member Profile

Clear My Head is a West Carrollton based business that manufactures all natural wellness products with a focus on sinus and headache relief. All products are made in their West Carrollton facility on East Dixie Drive.

Founder Brenda Stansfield is a Clinical Aromatherapist and a Licensed Massage Therapist and developed the products for her clients. In 2004 the company began National distribution and began to accumulate awards for their unique product line. In 2016 the company was 'discovered' by The Grommet, an innovative product launch company that propels small businesses to a larger audience. This relationship has helped Clear My Head enter larger retail opportunities as well. They just shipped their 9,000 'Grommet' order on May 24th! You can see their 'Grommet' video, and reviews for their products at <https://www.thegrommet.com/clear-my-head> (part of this was filmed at Cox Arboretum).

Distribution now includes over 400 ACE Hardware stores (with more bringing it to their 'impulse aisles' by the end of the year), 57 Office Depot Stores, LaVida Massage Centers nationwide, hospitals, catalogs, spas, resorts and gift shops throughout the United States. Locally you can find it at all Dorothy Lane Markets, Kettering Hospital Gift shop and several massage therapy offices.

This year the company is again in a growth mode in sales, product offerings and staff.

- The summer tradeshow season is beginning in June with seven shows on the calendar in Dallas, Las Vegas, Atlanta, and New York.
- Introduction of a new product to their line - Bath and Shower Fizzies in their signature sinus scent.
- Introduction of a 'Care Package' that can be sent as a gift to a loved one.
- A new part time employee will help with administrative and production needs.

The best selling items in the line are the Clear My Head Inhalation jars, the '2go' Sinus roll-on, and the Linen Mists.

Brenda Stansfield is proud to be a part of the SRMCOC and the recipient of the 2015 Business of the year. 'SRMCOC helps every business, every step of the way. They are a great resource to businesses small and large.' Last year Clear My Head joined the Safety Council. 'Although we have a small staff, we felt it was important to do things the right way. Our production manager enjoyed learning what impacts safety goals of our company and our community' said Ms. Stansfield.

What's next? Clear My Head is redesigning the packaging on a few products to make them more 'retail friendly' for larger accounts. "We're always listening to our customers to see what we can do better and what they need next." says Ms. Stansfield.
