Square One Salon and Spa was founded in 1999 by three friends with a goal in mind to bring a high level of customer service and technical skill to the salon industry in the Dayton area. Starting with one salon in downtown Dayton, Square One has grown to six locations including our Centerville and Washington Township salons. Square One is a full service salon and spa, offering hair services, skincare, nails and massage.

At Square One, we have built our success on our Four Corner Focus—our mission driving every decision, every guest experience and the experience of our team each day.

The Square One Four Corner Focus

Our customers deserve our undivided attention, total satisfaction, and a permanent place as a member in our family.

We will do anything we can to benefit those facing extraordinary challenges. Charity is part of our goal.

Our strength lies in our community and we strive toward fostering its wellness and growth.

We believe business is much more than a place to work, it's an environment for enjoying and sharing.

Our commitment to our guests, helping others in need, our community and our team gives us a strong purpose in the services we provide every day.

Having two salons in Centerville and Washington Township makes it convenient for those living these communities to access our salon and spa, as well to purchase their favored Aveda products. Our team had so much fun at the South Metro Chamber of Commerce event hosted at Miami Valley South. We met so many great people and were honored to receive the award for best booth! Thank you to those in attendance and we look forward to seeing you soon at Square One!

Visit our website at www.squareonesalon.com for more details and to book your next appointment.
